

Elets Knowledge Exchange Award 2015

'Online Social Security Pension System (RajSSP)' has been awarded Elets Knowledge Exchange Award 2015 under the category G2C in e-Governance Projects on 22/05/2015 during conference at GOA.

National Informatics Centre, Rajasthan State Centre has developed the application for Social Justice & Empowerment & Finance Department, Government of Rajasthan and has been implemented across the state. RajSSP is an e-Governance initiative of Rajasthan Government for effective and timely disbursement of Social Security Pension. It is a web based solution to facilitate and maintain Pensioner information, Verification of pensioners, Sanctioning of pension and Disbursement of pension Payments. The project covers various schemes of the Social Security Pension which includes Old-Age, Disabled and Widow Pension schemes. The Application also facilitates the printing of Money Orders and generation of electronic Money Orders. The software is being used in the treasuries, Sub-treasuries, Offices of Sanctioning authorities e.g. Sub divisional Officers (SDO) and Block Development Officers (BDO) and verification authorities e.g. Tehsildars.

The award was received by Shri I.D. Variyani, PSA, NIC and Shri Shekhar Shukla, SSA, NIC from Hon'ble Governor of GOA.
